

Cambridge Ambassador Program

Terms of Participation

1. Candidates must be female and between the ages of 17 and 22 (as of June 18, 2010) and either live, work, or attend school within the Cambridge-Isanti or Braham school district boundaries. Graduates of either Cambridge-Isanti or Braham High School are also eligible.
2. Candidates must have graduated or will graduate from high school by the year 2011.
3. Candidates must be single, never having been married nor have any dependents or be pregnant.
4. Previous Ambassador Candidates ARE eligible for participation and are welcome to join us again.
5. Young women are welcome to participate only for the Candidate Experience and have the right to opt out of being selected as an Ambassador if they so choose.
6. Candidates must agree to be present at scheduled events to the best of their ability; however, candidates who cannot attend scheduled events are expected to show consideration by notifying a committee member of her planned absence. The more you attend, the better your experience!
7. A team of three Ambassadors will be selected by experienced judges (from outside of the Cambridge area) who are looking for qualities such as: a warm, friendly personality; poise and confidence; a well-groomed appearance, maturity, and her desire to represent Cambridge with a maximum commitment to the position of a public relations officer. These traits are not listed in any particular order of importance.
8. Race, religion, outer beauty, and economic status have no bearing on the selection of the Ambassadors.
9. The three young ladies chosen as Ambassadors will be asked to sign a code of conduct and contract stating the rules and expectations of the position they have been selected to fill. If the rules of the contract are broken, the committee will meet and determine the appropriate consequence. The contract will be available upon request.
10. Candidates are expected to act with discretion at all times. The candidates shall maintain respectable speech and manner. Underage consumption of alcoholic beverages, smoking, and illegal use of controlled substances shall not be permitted by any candidate while associated with the Program. While the committee does not wish to interfere with personal choices, we expect to maintain high standards while representing local businesses and the community within our program.
11. Candidates should be advised that Ambassadors are not allowed to have visible piercings (except for the ears) nor visible tattoos. There is no such rule for candidates, although if selected for an Ambassador position, she must agree to follow this rule, which is part of the contract and code of conduct.
12. College plans will NOT prevent candidates from becoming an Ambassador as long as the candidate is available for appearances during the summer months.
13. Scholarships of a-yet-to-be-determined amount will be awarded to each Ambassador at the completion of her year of service, provided she has honored the code of conduct and contract. The amount of scholarship is dependent upon the success of fundraising activities.
14. Candidates are welcome to find their own sponsor if that sponsor is an employer, relative, or friend of the family. The sponsorship fee is \$250 for a full sponsorship (or \$135 for a partial sponsorship) and is tax-deductible. Businesses are typical sponsors, but families and relatives are welcome to sponsor as well. We will help secure a sponsor for those candidates without a personal connection.
15. The Cambridge Ambassador Program stresses focus on each **candidate's experience rather than the final outcome of the selection process**. It is our desire to enrich each candidate's participation with personal growth, new friendships, and fun activities.
